Rules of the Competition & Modifications to the Laws of the Game	
These Rules & Modifications apply only to league games, not playoffs - if any, tournaments, State Cup or Presidents Cup.	
Keeper punts or drop kicks are not allowed at some of the lower age levels, restarts are generally an IDFK - Indirect Free Kick at the spot of the infraction; the same for heading for some of the lower age levels. It is appropriate to tell the players why the infraction was called.	
Substitutions per FIFA are unlimited and at any stoppage, however many districts and leagues have modified this. If substitutions are limited, and a player is substituted for an apparent head injury, the substitution, if one is available, is not charged, while the substituted player is being checked by medical personnel.	
Referees are reminded that they have the liberty and authority to limit excess or near-constant subs as a time wasting and gamesmanship tactic, or add time as appropriate.	
Unless noted, retain Rosters for Incident Reports if needed, or you may return them to the coaches or managers.	
For anything out of the ordinary, for example, extensive rain delay, goals not anchored and home team was asked to anchor the goals prior to the game being allowed to begin, extensive injury, spectator issues, fill out an Incident Report. Contact your Assignor if you have questions.	
In the event of Referee ABUSE , create an Incident Report. Be very specific as to the time, where, who said/did what, to whom - using the exact wording heard. Provide as much detail as you or your crew is able. Contact your Assignor as soon as possible.	
In the event of Referee ASSAULT , contact the Police if necessary. Then contact your Assignor and joe@wisref.org and tom@wisref.org. Create an Incident Report, although until that is accomplished, write down the time, where, who said or did what, to whom, again with exact wording and exact actions, as well as include the names or descriptions of those who witnessed the assault.	
The Laws of the Game, Law 4, do not allow jewelry, "are forbidden". Do not accept religious, "I just got them pierced", or "the last ref said it was ok" plaints. Simply but emphatically state: "There will be no jewelry on the field today. You decide if you wish to play or not." And repeat. And repeat. Finally, you can state to the coach: "Coach, there will be no jewelry on the field today. You decide if you wish the player to play or not." DO NOT let the player on the field or participate in the game. And, DO NOT tell anyone to remove the jewelry. Simply state "There will be no jewelry on the field today. You decide if you wish to play or not."	
The address for the WYSA is 10427 West Lincoln Avenue, Suite 1100, West Allis, WI 53227 Email: ccastillo@wiyouthsoccer.com Fax 414-328-8008	
If you notice anything in this excel workbook which should be changed, please notify Melissa Zielinski mzielinski@wiyouthsoccer.com and Tom Mesalk tom@wisref.org. Please provide the district or league, the row description, the column description and what should be changed as well as how it should be changed.	

Build Out Line	
The Build Out Line is a line across the width of the field of play mid-way between the top of the penalty area and the half-way line in each half. The Build Out Line should be equidistant between the penalty area line and the halfway line.	
When the goalkeeper has the ball in their hands during play from the opponent, the opposing team must move behind the Build Out Line until the ball is put into play.	
Once the opposing team is behind the Build Out Line, the goalkeeper can pass, throw or roll the ball into play (punts and drop kicks are not allowed).	
After the ball is put into play by the goalkeeper, the opposing team can cross the Build Out Line and play resumes as normal.	
The Build Out Line will also count as the line to assess where offside offenses occur.	
Players cannot be penalized for an offside offense between halfway line and Build Out Line.	
Players can be penalized for an offside offense between the Build Out Line and goal line.

MIDWEST CONFERENCE		Expectations			
Roll all the way to the bottom of the page and look for Instructions to Referees		1. Minimum 30 minutes pre-game arrival on the field. (exception~ other game conflicts)			
E64 and E64 RL		2. Introductions to the coaching staff, player check in, confirm age groups, game length, secure game balls and get out of their way so they can warm up			
Look for section 6 or section 7		3. Start on time			
ECNL		4. Added time for injury, goals scored, substitutions, YC/RC. (Be sensible in games when the score is one-sided. i.e 4-0 does not need added time. 1-1, 2-0, 2-1, etc likely will have added time)			
Roll down. Look for Referees. Referee Procedures.		5. Know the specific Rules of Competition.			
GIRLS ACADEMY and GA ASPIRE		a. Who gets the game card and what are my responsibilities for reporting			
Look for League Documents. Then "Referee One Sheeter"		b. How do I manage a head injury			
		c. How many substitutions are allowed...and when			
		6. Fitness. Move with the game as needed. Run to the corner for all goal line decisions			
		7. Communication- Be mindful of cameras at half line. Have your conversations at half - on the field. You are being recorded.
